Burglary At Frontier Pack Station

On June 20, 2009 a Mono County Deputy responded to the Frontier Pack Station in the June Lake area for a report of a theft. The Deputy contacted the victim, an employee of the pack station, who stated that the suspect had entered the pack stations saddle/tack room and stole his western style saddle and pad.

The victim said he had last seen the items back on May 31, 2009 and was unsure of when exactly the items had been stolen. The items were custom made and had a specific brand mark on the saddle horn, fenders and cantle, along with the corners of the pad.

The Mono County Sheriff's Department is requesting anyone with information regarding this theft to contact Investigations at 760-932-7549.

The law requires that arrest information be made available to the public. This publication may contain suspect information about individuals booked by the Mono County Sheriff's Department recently.
