**Fishing Leads To Cite And Release**

On Monday July 20, 2009 at approximately 1:34 p.m. Deputies responded to the Bridgeport Reservoir for a verbal disturbance between several individuals that were fishing. Soon after arrival, a boat with two male subjects that work for a guide service out of the Mammoth Lakes area, contacted the Deputies and stated they had called the Sheriff's Department; they identified themselves as Mr. Douglas Dolan a resident of Mammoth Lakes and Mr. Thomas Loe a resident of Crowley Lake.

Mr. Dolan said he was fishing with Mr. Loe, when they said hello to another boat fishing approximately one hundred feet away; this boat also had a local fishing guide with clients out of the Mammoth Lakes area. A subject on the second boat, identified as Mr. William Scott Flint age 48 a resident of Lake Tahoe, raised his arms and yelled an explicative basically telling them to move. Mr. Dolan stated he laughed at the comment and Mr. Flint said "Do you think this is funny, I'll kick your ass." Mr. Dolan told Mr. Flint to relax and Mr. Flint again made a verbal threat to him.

Deputies contacted Mr. Flint by boat and asked him to return to the marina. Mr. Flint stated that the boat with Mr. Dolan and Mr. Loe started circling his boat so he asked them to give him some room. Mr. Flint did say that he told the boat that "You need an ass whipping."

Based on the Mr. Dolan requesting a private person's arrest be done on Mr. Flint, he was arrested, transported to and booked at the Bridgeport Sheriff Station Jail. After the booking process he was cited and released.
