**Vandalism At Lee Vining School**

On Monday July 13, 2009 a Deputy responded to the Lee Vining Elementary School for a report of possible vandalism. The reporting party stated that one of the classrooms was having the carpet cleaned, so the furniture had been removed on Friday afternoon and placed outside the building. On Monday it was discovered that several desks had been vandalized. One desk had its legs bent and another desk had the laminated top peeled away.

The reporting party also said he had found names scratched into the north door of the room used for the kindergarten class. The names that had been scratched into the door several times in several places were: Courtney, Nicole, Shane, Andrew, and Jorge.

This investigation is on-going and anyone having information regarding this crime is asked to contact the Mono County Sheriff's Department at 760-932-7549.
