### **Meeting Minutes - November 18, 2014**

The October 7th minutes were reviewed and approved.

This was a short, one hour meeting primarily for continued review of the June Lake Area Plan.

#### **Public Comment:**

There was no public comment.

#### **Supervisor Tim Alpers Report:**

Tim Alpers was not present.

#### **Agenda Items:**

**June Lake Streets Project update (Garrett Higerd, Public Works):** They are close to their winter shut down period. A lot of culverts have been replaced and storm drains installed. They did a concrete slurry backfill that they will be watching to see how it holds up. It is not the best material to use but saves money. Some lids are recessed to avoid snow plough damage in the winter. They are looking at adding some additional drains in some problematic areas like on Raymond St. It is not in the county jurisdiction, but has been a problem.

#### **Review June Lake Area Plan:**

The rest of the meeting was a continuation of the June Lake Area Plan review, specifically on the Community Development and Conservation/Open Space sections. It was not completed and will continue at the next meeting.

The meeting was adjourned by Patti Heinrich at 7:00 pm. The next meeting on December 2nd at 7 pm
