**A Powerful Documentary Film by James Redford and Karen Pritzker**

*Resilience* chronicles the promising beginnings of a national movement to prevent childhood trauma, treat Toxic Stress, and greatly improve the health of future generations. The original research was controversial, but the findings revealed the most important public health findings of a generation.

*Resilience* is a one-hour documentary that delves into the science of Adverse Childhood Experiences (ACEs) and the birth of a new movement to treat and prevent Toxic Stress.
