# ACKNOWLEDGEMENTS

COUNTY OF MONO, DEPARTMENT OF PUBLIC WORKS  
MONO COUNTY TRANSFER STATION OPERATIONS

## ACKNOWLEDGEMENT OF SITE VISIT(S)

The County of Mono is advised that I have visited the sites as acknowledged by my initials below. In doing so, I have made myself aware of the conditions that exist and have prepared the attached bid proposal accordingly. Although recommended, visiting the sites is **not a condition** of bid submittal.

Bridgeport Transfer Station:	Yes	<u>ME</u>	No	<u>          </u>
Benton Transfer Station:	Yes	<u>ME</u>	No	<u>          </u>
Chalfant Transfer Station:	Yes	<u>ME</u>	No	<u>          </u>
Paradise Transfer Station:	Yes	<u>ME</u>	No	<u>          </u>
Pumice Valley Landfill/TS:	Yes	<u>ME</u>	No	<u>          </u>
Walker Landfill/TS:	Yes	<u>ME</u>	No	<u>          </u>

Note: This questionnaire constitutes a part of the proposal, and signature on the signature portion of the proposal constitutes signature on this questionnaire.

**DISCLOSURES AND CERTIFICATIONS**

**QUESTIONNAIRE A**

The Bidder shall complete the following questionnaire:

Has the Bidder, or any officer or employee of the Bidder who has a proprietary interest in the Bidder, ever been disqualified, removed, or otherwise prevented from bidding on or completing a federal, state, or local government contract because of a violation of law or safety regulation?

Yes: \_\_\_\_\_ No:   X  

If the answer is yes, please explain the circumstances in the space provided below and/or attach separate sheet(s) as necessary, with signature affixed.

**QUESTIONNAIRE B**

Under penalty of perjury, the Bidder shall complete the following questionnaire:

Within the past three years, has the Bidder, or any officer or employee of the Bidder who has a proprietary interest in the Bidder, ever been convicted by a court of competent jurisdiction of any charge of fraud, bribery, collusion, conspiracy, or any act in violation of any federal or state antitrust law in connection with the bidding upon, award of, or performance of, any Public Works Contract, as defined in Section 1101, with any public entity as defined in Section 1100 of the California Public Contract Code; the Regents of the University of California; or the Trustees of the California State University?

Yes: \_\_\_\_\_ No:   X  

If the answer is yes, please explain the circumstances in the space provided below and/or attach separate sheet(s) as necessary, with signature affixed.

Note: This questionnaire constitutes a part of the proposal, and signature on the signature portion of the proposal constitutes signature on this questionnaire.

**WORKERS' COMPENSATION CERTIFICATION**

I do hereby certify that I am aware of the provisions of the California Labor Code which requires every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of work in this contract.

Note: This questionnaire constitutes a part of the proposal, and signature on the signature portion of the proposal constitutes signature on this questionnaire.

**NON-COLLUSION AFFIDAVIT**

In accordance with Section 112, Title 23 of the United States Code, and with Section 7106 of the California Public Contract Code, and whether or not either of these Code sections may apply, the Bidder declares as follows:

**NONCOLLUSION DECLARATION TO BE EXECUTED BY BIDDER AND SUBMITTED WITH BID**

The undersigned declares:

I am the Division Vice of Mammoth Disposal the party making the foregoing bid.  
President Company

The bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation. The bid is genuine and not collusive or sham. The bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid. The bidder has not directly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or to refrain from bidding. The bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder. All statements contained in this bid are true. The bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, to any corporation, partnership, company association, organization, bid depository, or to any member or agent thereof to effectuate a collusive or sham bid, and has not paid, and will not pay, any person or entity for such purpose.

Any person executing this declaration on behalf of a bidder that is a corporation, partnership, joint venture, limited liability company, limited liability partnership, or any other entity, hereby represents that he or she has full power to execute, and does execute, this declaration on behalf of the bidder.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration is executed on May 30, 2016 [date], at Placerville [city], CA [state].

COUNTY OF MONO, DEPARTMENT OF PUBLIC WORKS  
**BIDDER'S QUALIFICATION STATEMENT**

COUNTY OF MONO, DEPARTMENT OF PUBLIC WORKS  
MONO COUNTY TRANSFER STATION OPERATIONS

This Qualifications Statement will be used by Mono County to determine if a bidder is qualified to do the work to be performed and therefore to find if the bidder is a "responsible" bidder. The Qualifications Statement should be completed on behalf of the bidder by an officer or other individual who is knowledgeable about the bidder's past and current operations, policies, and practices. A response must be provided to each question. If a particular question does not apply, the response should state "not applicable" or "N/A". **Qualifications statements that contain missing or incomplete answers may render the proposal non-responsive.**

Answers may be expanded upon by attaching additional pages. Use 8½" x 11" paper and mark each additional page with the bidder's name and identification of the particular question to which an answer is being given. For the purposes of this Statement, the terms "company," "firm," "bidder," "proposer," and "contractor" are used interchangeably and have the same meaning.

The following documents or information must be included with your Qualifications Statement for this Bid Proposal:

Insurance: Contractor must provide proof that the firm is insured at least to the limits identified in the Sample Agreement.

Licenses: Copies of all applicable and current trade licenses issued to the Contractor which legally allow the Contractor to perform the work identified for this contract.

Previous Work History: This Statement includes a form titled "Experience on Completed or Ongoing Contracts." Please use this form to detail the work that the firm has performed within the last three years, as well as a minimum of three successfully-completed waste hauling contracts or transfer station operations contracts. Use one page per project and reproduce copies of the form as necessary. In each project description, identify your firm as a prime contractor, subcontractor, or joint venture partner.

OSHA Violations: If at any time within the past five years the Contractor has received an OSHA serious violation, you must provide copies of the *Citation and Notification of Penalty*, signed *Settlement Agreement*, and narrative which details the specific issue(s) cited, remedial action required and taken by the Contractor, amount of fine initially imposed, and ultimate resolution.

Resumes and Organizational Chart: The Contractor must include current resumes for each Principal and key individual identified in Question 2B below. The statement must also include a copy of the firm's current Organizational Chart.

Note: This Statement constitutes a part of the proposal, and signature on the signature portion of the proposal constitutes signature on this Statement.

**1. GENERAL INFORMATION:**

A. Type of organization: Corporation, CA 1982

If Corporation, include year and state incorporated

If Partnership, state whether general or limited

If Sole Proprietorship, include name of owner

If Joint Venture\*, include name all partnering firms

(\*Bidders submitting a bid as joint venture must obtain a joint venture contractor's license before they may be awarded a contract, per Business and Professions Code §7029.1).

B. Is the firm certified as a Minority Business Enterprise (MBE) or Women Business Enterprise (WBE)?

       Yes (attach certification letter)        X   No

**2. PERSONNEL:**

A. Identify the current number of employees below:

Employee Type	Full-Time	Part-Time
Office	4	0
Field	14	0

B. Principals and Key Personnel: On the chart below, supply the required information. Principals and Key Personnel include proprietors, partners, directors or officers of the firm; any manager or individual who participates in overall policy-making or financial decisions of the firm; any person who makes significant financial contributions to the firm's operations; any person in a position to control and direct the firm's overall operations or any significant part of its operation (including site foremen and superintendents). Resumes for Principals and Key Personnel must be provided herewith. Use additional sheets if necessary to identify all Principals and Key Personnel.

Description	Person 1	Person 2	Person 3
Name	SEE	ATTACHED	
Title			
% Ownership			

(Use additional sheets if necessary to identify all Principals and Key Personnel)

## EXECUTIVE OFFICERS OF THE REGISTRANT

The following table sets forth certain information concerning our executive officers as of February 9, 2016:

NAME	AGE	POSITIONS
Ronald J. Mittelstaedt <sup>(1)</sup>	52	Chief Executive Officer and Chairman
Steven F. Bouck	58	President
Darrell W. Chambliss	51	Executive Vice President and Chief Operating Officer
Worthing F. Jackman	51	Executive Vice President and Chief Financial Officer
David G. Eddie	46	Senior Vice President and Chief Accounting Officer
David M. Hall	58	Senior Vice President – Sales and Marketing
James M. Little	54	Senior Vice President – Engineering and Disposal
Patrick J. Shea	45	Senior Vice President, General Counsel and Secretary

Ronald J. Mittelstaedt has served as Chief Executive Officer and a director of Waste Connections since the company was formed, and was elected Chairman in January 1998. Mr. Mittelstaedt also served as President from Waste Connections' formation through August 2004. Mr. Mittelstaedt has more than 26 years of experience in the solid waste industry. Mr. Mittelstaedt serves as a director of SkyWest, Inc. Mr. Mittelstaedt holds a B.A. degree in Business Economics with a finance emphasis from the University of California at Santa Barbara.

Steven F. Bouck has served as President of Waste Connections since September 1, 2004. From February 1998 to that date, Mr. Bouck served as Executive Vice President and Chief Financial Officer. Mr. Bouck held various positions with First Analysis Corporation from 1986 to 1998, focusing on financial services to the environmental industry. Mr. Bouck holds B.S. and M.S. degrees in Mechanical Engineering from Rensselaer Polytechnic Institute, and an M.B.A. in Finance from the Wharton School of Business.

Darrell W. Chambliss has served as Executive Vice President and Chief Operating Officer of Waste Connections since October 2003. From October 1, 1997, to that date, Mr. Chambliss served as Executive Vice President – Operations. Mr. Chambliss has more than 25 years of experience in the solid waste industry. Mr. Chambliss holds a B.S. degree in Business Administration from the University of Arkansas.

Worthing F. Jackman has served as Executive Vice President and Chief Financial Officer of Waste Connections since September 1, 2004. From April 2003 to that date, Mr. Jackman served as Vice President – Finance and Investor Relations. Mr. Jackman held various investment banking positions with Alex. Brown & Sons, now Deutsche Bank Securities, Inc., from 1991 through 2003, including most recently as a Managing Director within the Global Industrial & Environmental Services Group. In that capacity, he provided capital markets and strategic advisory services to companies in a variety of sectors, including solid waste services. Mr. Jackman serves as a director of Quanta Services, Inc. He holds a B.S. degree in Finance from Syracuse University and an M.B.A. from the Harvard Business School.

David G. Eddie has served as Senior Vice President and Chief Accounting Officer of Waste Connections since January 2011. From February 2010 to that date, Mr. Eddie served as Vice President – Chief Accounting Officer. From March 2004 to February 2010, Mr. Eddie served as Vice President – Corporate Controller. From April 2003 to February 2004, Mr. Eddie served as Vice President – Public Reporting and Compliance. From May 2001 to March 2003, Mr. Eddie served as Director of Finance. Mr. Eddie served as Corporate Controller for International Fibercom, Inc. from April 2000 to May 2001. From September 1999 to April 2000, Mr. Eddie served as Waste Connections' Manager of Financial Reporting. From September 1994 to September 1999, Mr. Eddie held various positions, including Audit Manager, for PricewaterhouseCoopers LLP. Mr. Eddie is a Certified Public Accountant and holds a B.S. degree in Accounting from California State University, Sacramento.

David M. Hall has served as Senior Vice President – Sales and Marketing of Waste Connections since October 2005. From August 1998 to that date, Mr. Hall served as Vice President – Business Development. Mr. Hall has more than 30 years of experience in the solid waste industry with extensive operating and marketing experience in the Western U.S. Mr. Hall received a B.S. degree in Management and Marketing from Missouri State University.

James M. Little has served as Senior Vice President – Engineering and Disposal of Waste Connections since February 2009. From September 1999 to that date, Mr. Little served as Vice President – Engineering. Mr. Little held various management positions with Waste Management, Inc. (formerly USA Waste Services, Inc., which acquired Waste Management, Inc. and Chambers Development Co. Inc.) from April 1990 to September 1999, including Regional Environmental Manager and Regional Landfill Manager, and most recently Division Manager in Ohio, where he was responsible for the operations of ten operating companies in the Northern Ohio area. Mr. Little is a certified professional geologist and holds a B.S. degree in Geology from Slippery Rock University.

Patrick J. Shea has served as Senior Vice President, General Counsel and Secretary of Waste Connections since August 2014. From February 2009 to that date, Mr. Shea served as Vice President, General Counsel and Secretary. From February 2008 to February 2009, Mr. Shea served as General Counsel and Secretary. He served as Corporate Counsel from February 2004 to February 2008. Mr. Shea practiced corporate and securities law with Brobeck, Phleger & Harrison LLP in San Francisco from 1999 to 2003 and Winthrop, Stimson, Putnam & Roberts (now Pillsbury Winthrop Shaw Pittman LLP) in New York and London from 1995 to 1999. Mr. Shea holds a B.S. degree in Managerial Economics from the University of California at Davis and a J.D. degree from Cornell University.

Fax: 530-387-2004

## Work History

2/2010 – Present	Divisional Vice President Northern California Division (Includes El Dorado, Tehama, Mono and Inyo Counties)
06/2006 – Present	El Dorado Disposal; Placerville, CA District Manager Responsible for over-site of El Dorado Disposal Service
10/2004 – 06/2006	El Dorado Disposal; Placerville, CA District Manager Responsible for over-site of El Dorado Disposal Service
08/2001 – 10/2004	Waste Management Contract Compliance Coordinator; Western Region
01/1988 – 08/2001	BFI; Sacramento, CA District Manager/Controller Responsible for over-site of Sacramento market solid waste, Northern California Medical Waste, Northern California Portable Services

During my career in the waste industry, I have operated as a Controller and a District Manager for multiple sites in multiple municipalities. I started as a controller for a large competitive market, promoted to the District Manager of the same market. Providing excellent customer service was the expectation of my tenure at BFI. I dealt with multiple municipalities and customers small and large, ensuring that we provided the best care possible. As a District Manager, I was responsible to initiate commercial recycling programs throughout Sacramento. After joining Waste Management, my role was to ensure that we, as the service provider in many municipalities throughout the state, met our contractual obligations. I travelled all over California and throughout the Western States, providing guidance to multiple districts in the area of contract compliance.

Upon my promotion to District Manager of El Dorado Disposal, servicing the majority of customers in El Dorado County, I became intimately familiar with the needs and desires of four large municipalities. I was able to start up multiple recycling programs in each area. I focused my energy on understanding the needs of each unique area and worked diligently to meet the needs of those municipalities, implementing new programs in all. After Waste Connections purchased our company, I was able to offer additional services to each municipality as they were eager to participate and provide resources whenever possible. I have been able to start up a new three cart program in the City of Placerville in

2008. The roll out was very successful with praise from the City in the manner in which we rolled out the program and educated the over 2600 customers, both residential and commercial. El Dorado County as a whole has produced over 50% diversion consistently for over three years and was recognized by the State of California as one of only several of a rural nature to meet this goal on time as recognized by the CIWMB.

After 25 years in the industry, I have learned that customer service must be second to none, that safety must be a guiding principle in every community that we serve and that we must listen to the voice of the customer and be intimately involved in each community.

## Work History

- |                   |  |
|-------------------|--|
| 11/2013 - Present | Mammoth Disposal Company; Mammoth Lakes, CA<br>District Manager<br>Responsible for all elements of Mammoth Disposal including operations, maintenance, and administration.                               |
| 11/2013 - Present | Bishop Waste Disposal; Bishop, CA<br>District Manager<br>Responsible for all elements of Bishop Waste including operations, maintenance, and administration.   |
| 05/2010 – 10/2013 | Alaska Waste; Kodiak, AK<br>Site Manager<br>Responsible for all elements of Alaska Waste (Kodiak) including operations, maintenance, and administration.   |
| 06/2006 – 04/2010 | Alaska Waste; Anchorage, AK<br>Customer Service Supervisor<br>Responsible for over-site of customer service department at the Anchorage site including account maintenance, customer service and billing |

During my career in the waste industry, I have been assigned numerous roles with increased responsibility.

As Customer Service Supervisor I helped lead 7 representatives that fielded approximately 400 calls per day. I worked with the team to promote excellent customer service while maintaining a high level of accuracy.

I had the opportunity to work as Site Manager at our Kodiak, AK location. My site was responsible for providing all the services for the community, which included a roll-out of a new service collection process. I worked closely with the Kodiak Island Borough to achieve the best results for the community.

My current role as the District Manager for Mammoth Disposal and Bishop Waste has increased my responsibility. I work closely with Mono County, Town of Mammoth Lakes and Inyo County to assess needs and deliver programs that work to their individual needs. We operate multiple services which

include; Trash, Construction, Recycling, Septic and Portable Toilet. Our customers range from a single residential user to large contracts with Los Angeles Department Water and Power.

I believe that my experience and continued growth will lead to a successful partnership with Mono County.

May 2003      Lewis & Clark College, Portland, OR  
Bachelor of Arts, Psychology

**3. FINANCIAL INFORMATION:**

- A. Are there any liens outstanding against the Contractor?  
(if yes, provide a detailed explanation on an attached sheet)  Yes  No
- B. Has the Contractor; any of its Principals or Key Personnel; or any predecessor or related business or entity, including but not limited to any entity wholly or partially owned or controlled by any of the Contractor's Principals or Key Personnel, been party to a bankruptcy or reorganization proceeding with the last five years?  
(if yes, provide a detailed explanation on an attached sheet)  Yes  No
- C. Annual sales dollar volume of Contractor: \$ 6,700,000

**4. INTEGRITY OF CONTRACTOR:** Please provide an explanation on an attached sheet for any of the following questions with the answer "yes".

- A. During the past five years has the Contractor:
- i. Been subject of a lien or claim of \$25,000 or more by a subcontractor or supplier?  Yes  No
  - ii. Failed to complete a contract?  Yes  No
  - iii. Been suspended, debarred, disqualified or otherwise declared ineligible to bid?  Yes  No
  - iv. Been defaulted on any contract?  Yes  No
  - v. Had a contract terminated?  Yes  No
  - vi. Had liquidated damages assessed against it upon completion of a contract?  Yes  No
  - vii. Been a plaintiff or defendant in any lawsuit arising out of a public or private construction contract?  Yes  No
- B. During the past five years has the Contractor, Principals or Key Personnel:
- i. Been a plaintiff or defendant in any lawsuit arising out of a public or private construction contract?  Yes  No
  - ii. Been the subject of an investigation involving any alleged violation of criminal law, civil antitrust law or other federal, state, or local civil law?  Yes  No
  - iii. Been convicted after trial or by plea of any felony under state or federal law?  Yes  No
  - iv. Entered a plea of nolo contendere to a charge of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property or violation of an antitrust law?  Yes  No

## **5. A. Bidding Capability and Previous Experience**

Waste Connections Inc. is an integrated solid waste services company that provides solid waste collection, transfer, disposal and recycling services. Since founded in 1997, Waste Connections has started its operation in Mammoth Lakes, Placerville and Tehama County, which make up our Northern California Division. For bidding purposes, all of our experience is drawn from our team that operates in this division.

Mammoth Disposal operates in the Town of Mammoth Lakes and Mono County. As part of our operation, we manage a transfer station for MSW, Bulky Items, Green waste and Recyclables. Our facility is licensed to accept Anti-freeze, Batteries, Oil and Paint as well. We welcome customers 365 days per year and assist each person in the rules for disposal at the facility. Loads are inspected and appropriate charges are made when necessary. As part of our Transfer Station we manage a California Redemption Center for all Aluminum, plastic and glass that meet CRV rules. All our recycling materials are baled on site and shipped to an authorized recycling facility. Our operation has a contract with Paint Care and Mattress Recycling Council, which has provided us with additional experience and services for our current customers. We understand the importance of providing the necessary outreach to the public. Providing face to face information is critical, but Mammoth Disposal also has a presence at mammothdisposal.com to provide all of our customers with the best information. If awarded this contract, we would like to provide residents with even more information; a quarterly newsletter about seasonal disposal topics and improved signs for all recycling material. Through better outreach, I believe we can increase recycling by 25%.

Waste Connections El Dorado Disposal is honored to serve the residents and businesses of El Dorado County. We provide safe, reliable, environmentally conscience residential, commercial trash and recycling collection services. At the Transfer Station we are able to accept and process (sort) Municipal Solid Waste (MSW), Construction and Demolition (C&D) and Green Waste (which we transfer to another facility for processing). We also have green waste bins located through out the county, in order to make it easier for the public to dispose of. El Dorado Disposal offers specialty recycling of the following materials; E-Waste, Mattress Recycling, Carpet Recycling, Household Hazardous Waste, Used Oil, Alkaline Batteries, Fluorescent bulbs and Metal.

Green Waste of Tehama, A Waste Connections of California, Inc. company is located in Red Bluff, CA and has been providing solid waste, recycling and yard waste collection for residential and commercial residents within the City of Red Bluff and the unincorporated areas of Tehama County since 1998. We also operate the Tehama County Landfill (owned jointly by the City of Red Bluff and Tehama County) and three remote transfer stations. We provide all amenities at these transfer stations that the landfill would provide. Customers are able to drop off anything from household wastes to hazardous wastes. Our landfill is permitted to accept up to 600 tons per day and also has a Material Recovery Facility (MRF) on site. This is where all curbside recyclables are received, sorted, baled and sold, then shipped off-site. Through different programs implemented, the site diverts more than 3,500 tons of material that would otherwise be landfilled, therefore being good stewards of the City and County's airspace.

The experience at Mammoth Disposal allows us to take care of local needs on a daily basis, while our division partners provide us with valuable transfer station support. We are a strong team that can analyze needs and provide waste and recycling solutions for all the residents of Mono County.

B. Contract Capability (determined by size of previous work and bonding capacity):

- 1. \$0 - \$10,000
- 2. \$0 - \$50,000
- 3. \$0 - \$100,000
- 4. \$0 - \$250,000
- 5. \$0 - \$500,000
- 6. \$0 - \$1,000,000
- 7. \$0 - \$5,000,000
- 8. \$0 - \$10,000,000
- 9. \$0 - >\$10,000,000

C. Use the following form to identify experience on completed or ongoing projects over the last five years (a separate sheet must be completed for each project – three minimum).

Company: El Dorado County - Department of Environmental Services  
Address: 2850 Fairlane Court, Placerville, CA 95667  
Telephone: 530-642-2258 email: greg.stanton@edcgov.us  
Contact Name: Greg Stanton Title: Director of Environmental services  
Description of work performed by Contractor: Operate a large volume transfer station and recycling center. Operate a material recovery facility, C/D processing facility and green waste facility.

Two "Roll-Off" recycling containers currently exist at each of the Facilities. One is a tri-bin for glass, plastic, and aluminum, and one is for cardboard. Both hold approximately 20-cy. There are 3 additional 10-cy roll-off bins available for use in diversion activities, as the Contractor sees fit. Aside from these 3 additional bins, no containers are available for mixed paper recycling, for separate CRV materials, or for #1 and #2 plastic. The Contractor will determine the appropriate method, and provide for the collection and recycling of this material.

Contractor is to provide hauling of recycling containers at a frequency determined by Contractor, to a bona fide recycler or recycling facility, with supporting documentation to the satisfaction of the County.

Metals and Tires Metal and Tires are placed in the Bulky Item Bin where the recyclables are taken out by County staff once transferred to the Benton Crossing Landfill. In the event that the Bulky Item Bin is not hauled to Benton Crossing Landfill, contractor shall provide documentation regarding the proper disposition of the bulky items (refrigerated appliances, tires, etc.)

Used Oil Used oil storage tanks exist at each site. The facilities are registered with the State of California ("State") as Certified Used Oil Collection Centers, meaning that Facility personnel will be required to offer a rebate per gallon (if asked) paid for by the Used Oil Block Grant for customers delivering used oil for recycling. Contractor shall be required to manage on-site activities, but County will coordinate tank pumping and periodic reporting to the State.

Wood Waste Facility personnel shall direct clean loads of wood waste to the designated stockpile location and work with the County to determine new stockpile areas when necessary. County shall process wood waste once per year or at a frequency otherwise necessary or approved by the Local Enforcement Agency. At the Paradise Transfer Station wood waste will go directly into the debris box.

Contractor may be requested to haul processed Wood Waste (wood chips) for biomass utilization from time to time. The County will provide a suitable bin and would compensate contractor at an hourly rate, in accordance with the bid forms.

Ashes Facility personnel shall direct customers with ashes to a dumpster provided by the Contractor.

Household Hazardous Waste Facility personnel will be required to conduct routine load checking procedures. County shall provide storage lockers at all Facilities for temporary containment of HHW removed from the waste stream. County shall coordinate the removal, transportation, and final disposition of HHW.

Special Wastes Facility personnel shall direct special waste such as Cathode Ray Tubes (CRT's) and Treated Wood Waste to the appropriate designated areas. County personnel will collect and process those wastes periodically, as appropriate.

#### 4. TRANSFER OF WASTE

Waste shall be transported to the Benton Crossing Landfill, or another site acceptable to the County. MSW must be transported at least once per week, with the exception of Benton, Chalfant and Pumice Valley which may be transported once every two weeks if volume and conditions permit. MSW may be transported more often when volumes exceed compactor and debris box limits. Bulky items and metal can be transported when the debris box is full. Vehicles and containers shall comply with all applicable laws.

## General Facts about June Lake Jam Fest

Benefit for Music Programs for Students

Quality Music Event for Mono County Residents

Event Attracting Out of Area Visitors to June Lake

**2015 Event Info:** (@300 paid, @70 performers and their guests, @40 volunteers)

### Survey of Attendees:

- @65% of attendees were from out of area
- Over 50% spent 2 or more nights in Mono County, most in JL hotels/motels, condos and campgrounds
- Over 75% ate in local restaurants and bought groceries in town (spending an average of \$50-100/person during their stay)

Links to Mono County attractions and lodging

Facebook - 20,000 views of the main event, 1700 viewed event page

Jam Fest bands performed at 2 Mono County School sites the day before the Fest

### **2016 Event Info:**

Scheduled the same weekend (after Labor Day) September 10, 2016

Tickets on sale starting end of April

Looking to extend the hours of the event to 11 pm

Received CEMF Grant (\$3K) for out of area marketing

Goals: to at least double the number of attendees (@600), have school performances for most Mono County school sites, host 2 Kids Music Summer Camps with performances at Labor Day Festival and at JLJF Kick off event on 9/8 at Double Eagle.

### **Sponsorships continue to be needed (Cash and In kind donations)**

- Lodging for performers
- Cash for infrastructure support (stage, lighting, sound equipment)
- \$250+ value - T shirt sponsor
- \$2K+ value - major sponsor, included on all advertisement
- MAC - Non-profit (501c3) so donations are tax deductible

### **Other needs:**

Lodging discounts for attendees

Included in spreadsheet linked to marketing. <https://goo.gl/KR7sY5>.
