To: Mono County Board of Supervisors

From: Kristin Reese, Executive Director of Mono Arts Council

Subject: Mono Arts Council Program Update and Resolution naming Mono Arts Council as Mono County's State-Local Partner for the California Arts Council's State-Local Partnership Program (SLPP)

Discussion:

Mono Arts Council's mission is to facilitate and encourage art appreciation through education, advocacy and art-inspired programs and events. Mono Arts Council (MAC) provides arts education programs in Mono County schools as well as summer and after-school arts camps and activities. MAC also produces the Mammoth Lakes Arts on the 4th festival.

The State-Local Partnership (SLP) program is rooted in the California Arts Council's (CAC) vision of strong, sustained public support for the arts. It embodies the CAC's beliefs that the arts are a societal cornerstone that bring people together and build community, and that the CAC has a role to play in increasing access to the arts for Californians who live or work in areas where the arts are scarce, nonexistent, or vulnerable. The State-Local Partnership program provides general operating support and technical assistance for county-designated local arts agencies. The purpose of the SLP program is to foster cultural development on the local level through a partnership between the State and the counties of California. The nature of this partnership includes funding, information exchange, cooperative activities, and leadership. The partnership enables individuals, organizations, and communities to create, present, and preserve the arts of all cultures to enrich the quality of life for all Californians. A local arts agency is defined as the official county-designated organization that supports arts and cultural activity in service to individuals and communities throughout an entire county. Local arts agencies provide financial support, services, or other programming to a variety of arts organizations, individual artists, and the community as a whole. A local arts agency can be an agency of local government, a nonprofit organization, or a hybrid of the two.

Recommended Action:

Approve a resolution designating Mono Arts Council as Mono County's local arts partner for the California Arts Council's State-Local Partnership Program (SLPP) and supporting Mono Arts Council's 2023 CAC grant application.

Fiscal Impact:

None.
