

**STATEMENT OF CANDIDATE FOR
EASTERN SIERRA UNIFIED SCHOOL DISTRICT, AREA #3**

JAMES "JIMMY" LITTLE

Occupation: Self Employed

Education and Qualifications: I am Jimmy Little. It has been my privilege to be your representative for the Eastern Sierra Unified School District Trustee Area 3 for the past eight years. I understand my role to represent every student and community in this vast, diverse district. As a resident of the Eastern Sierra since 2003 I appreciate the challenges and tremendous opportunities we can provide to our children. All four of my children started from kindergarten in ESUSD, two have graduated and moved on to college. I am looking forward to seeing my twins start high school this year. We have great strengths, devoted and passionate staff, and many opportunities balancing limited resources. Moving forward we need to leverage these strengths and celebrate our differences in each community as one district to provide the best education possible, in the safest environment possible. I am excited to continue to serve, thank you for your consideration, and your trust.

**STATEMENT OF CANDIDATE FOR
EASTERN SIERRA UNIFIED SCHOOL DISTRICT, AREA #3**

DANIELLE Z. DUBLINO

AGE:45

Occupation: Educator

Education and Qualifications: My name is Danielle Dublino, and I would appreciate your vote to represent Trustee Area #3 on the ESUSD Board. I have worked as an educator for the past 20 years in communities including Lee Vining, Bridgeport, Coleville, and Mammoth. This experience has informed my understanding of how a high-quality education can be delivered in our rural context. With two children enrolled in ESUSD, I am motivated to advocate for educational excellence in the District. As a resident of Mono City, a vote for me will help to remedy an imbalance of community representation on the Board. Due to outdated Trustee Area boundaries, currently two Trustees reside in Bridgeport (including the Trustee Area 3 incumbent), with one campus and comparatively low student numbers. Lee Vining and Coleville have far more students, two campuses each, and one Trustee each. I work as Site Supervisor/Lead Teacher at Lee Vining Preschool, hold a Bachelor's degree in Psychology and minor in Child Development, a Multiple Subjects Credential, and completed several courses in Administration and Early Education. I am a member of the Mono County Child Care Council, SELPA Community Advisory Committee, and LVES PTO/Site Council. Please consider me to be your advocate.

**DECLARACIÓN DE CANDIDATA A
DISTRITO ESCOLAR UNIFICADO DE EASTERN SIERRA, ÁREA 3**

DANIELLE Z. DUBLINO

EDAD:45

Ocupacion: Educadora

Educación y calificaciones: Mi nombre es Danielle Dublino y agradecería su voto para representar al Área de Fideicomisarios # 3 en la Mesa Directiva de ESUSD. He trabajado como educadora durante los últimos 20 años en comunidades como Lee Vining, Bridgeport, Coleville y Mammoth. Esta experiencia ha informado mi comprensión de cómo se puede brindar una educación de alta calidad en nuestro contexto rural. Con dos niños inscritos en ESUSD, estoy motivado para abogar por la excelencia educativa en el Distrito. Como residente de Mono City, un voto por mí ayudará a remediar el desequilibrio de la representación de la comunidad en la Junta. Debido a los límites obsoletos del Área de Fideicomisarios, actualmente dos Fideicomisarios residen en Bridgeport (incluido el titular del Área de Fideicomisarios 3), con un campus y un número de estudiantes comparativamente bajo. Lee Vining y Coleville tienen muchos más estudiantes, dos campus cada uno y un administrador cada uno. Trabajo como supervisor de sitio / maestro principal en Lee Vining Preschool, tengo una licenciatura en psicología y una especialización en desarrollo infantil, una credencial en múltiples materias y completé varios cursos en administración y educación temprana. Soy miembro del Consejo de Cuidado Infantil del Condado de Mono, el Comité Asesor Comunitario de SELPA y el PTO / Consejo Escolar de LVES. Por favor considere que soy su defensora.
