MAKE YOUR VOTE COUNT

All voters in California will be receiving a ballot in the mail for the election. Here is how to avoid the most common mistakes made with vote-by-mail (VBM) ballots!

FILL OUT BOTH BALLOT CARDS

You will receive two ballot cards - be sure to vote both cards front and back.

SIGN YOUR ENVELOPE

Be sure to sign the return envelope provided with your ballot. Provide your residential address (NOT A P.O. BOX) in the designated area. If you need assistance signing your envelope, be sure to include the witness signature.

MISMATCHED SIGNATURES

Your signature is unique to you – making sure that your signature matches the signature on your voter registration - this is how we keep your ballot safe.

If you can't remember how you signed your registration card, or if your signature has changed, re-register now to update your file. Visit www.registertovote.ca.gov or request a paper registration card by calling the Mono County Elections office at (760)932-5537.

IF YOU HAVE MOVED

The United States Postal Service (USPS) does not forward most election mail, including ballots. If you have moved, or changed your mailing address, you will not receive your ballot and may have to vote provisionally! To avoid delays, please contact us immediately to update your information.

DEADLINE

Ballots must be returned by 8:00 P.M. on Election Day. You can return your ballot by:

Mailing it via U.S. Postal Service; or

Hand delivering it to the Mono County Elections office; or

Dropping it off at any polling place, vote center, vote-by-mail drop-off location, or drop box in the State of California.

VOTING AT THE POLLING PLACE

If you decide to vote in person at your assigned polling place, be sure to BRING YOUR BALLOT with you. If you do not bring the ballot that you received in the mail, you may have to vote a provisional ballot at the polling place.

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE, DISTRICT 3**

KEVIN KILEY

AGE: 37

Occupation: California Assembly Representative

Education and Qualifications: I am running for Congress to defend our Constitution, protect our freedoms and make our government accountable to the people.

My platform is: Secure the border now to stop illegal immigration. Make crime illegal again by holding criminals accountable. Get the homeless off our streets. Put parents in charge of their kids' education. Slash debt and reduce taxes. Cut waste, fraud and abuse from government.

My experience includes: Serving as Deputy Attorney General representing you against violent criminals; defending the Constitution in court; prosecuting intellectual property theft by China; and challenging and beating Governor Gavin Newsom for violating the separation of powers.

I know how to get things done. As a State Representative, I wrote groundbreaking new laws on freedom of speech, privacy, and protections for sexual assault victims and passed significant school choice legislation.

I'm a reformer who declined the pay raise granted to the Legislature in 2021 and I declined \$40,000 annually in extra income other legislators collect. I introduced the bill to end special perks for legislators and their staffs.

As the officially endorsed candidate of the California Republican Party, numerous county Republican Parties and over 50 locally elected Republican officials, my pledge to you is: I will never give up the fight for the founding principles that made America the greatest country in the world – freedom, justice, individual responsibility and a limited government that truly represents the people.

I would be honored to receive your vote and represent you in Congress. Visit ElectKevinKiley.com to learn more.

s/ Kevin Kiley

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE, DISTRICT 3**

SCOTT JONES

AGE: 54

Occupation: Sheriff, Sacramento County

Education and Qualifications: I'm running to make America Safe Again. I'm the Law and Order Sheriff of Sacramento County. I'm running to take America back from liberals like Joe Biden, Nancy Pelosi and the Squad. I'm endorsed by conservative Congressmen Tom McClintock and Doug LaMalfa.

As Sheriff, I stood up to Black Lives Matter rioters, sending Sheriff's Deputies to stop destruction in Sacramento. BLM tried to intimidate me by protesting at my home and terrorizing my family. In Congress, I won't be intimidated – I'll stand up to BLM radicals.

As Sheriff, I dealt directly with illegal immigration: one of my Deputies was murdered by an illegal immigrant. I stood with President Trump to secure our border and build a wall.

As Sheriff, I opposed Defund the Police. In Congress, I'll fight for more police and tougher penalties to stop out-of-control theft and violence.

I oppose woke anti-American teachings like CRT. I believe in the greatness of America, our Constitution, and our Founding Fathers. In Congress, I'll stand up to the woke left.

I've been Sheriff for 12 years, in law enforcement for 33. I've been married 27 years to my wife Christy. We have raised four children here. I would be honored to have your vote.

**STATEMENT OF CANDIDATE FOR
UNITED STATES REPRESENTATIVE, DISTRICT 3**

KERMIT JONES

AGE: 45

Occupation: Internal Medicine Doctor

Education and Qualifications: As a doctor and a Navy veteran who deployed to Iraq, my life has been guided by a series of oaths – to my patients and to our country. Now, I am running for Congress to pledge a new oath to bring service-based leadership to Washington.

Before I became a doctor, I learned the values of hard work and responsibility growing up on our family farm. These values led me to join the Navy after 9/11. Later, I served as a White House Fellow, where I worked to increase investments in veterans' healthcare and innovation.

I'm running because every day I see how broken our healthcare system is – not just for our veterans, but for all Americans. Our seniors deserve dental and hearing aid coverage. We pay too much for healthcare, fuel, and our homes. The cost of living, government red tape, and forest fires are making life unaffordable and uncertain for too many Californians. And our national security is under threat as well. From wildfires to our senior populations, we need to ensure we are fighting to protect everyone in our communities, businesses, and our district.

If elected to Congress, it will be my mission to secure our supply chains and restore American manufacturing; to create new affordable pathways to educational and job training; to bring down the cost of healthcare and prescription drugs; and to fight for effective forest management solutions and clean, cheap energy made here at home.

**STATEMENT OF CANDIDATE FOR
STATE SENATOR, DISTRICT 4**

MARIE ALVARADO-GIL

AGE: 48

Occupation: Public School Administrator

Education and Qualifications: There is no place I would rather call home than the California Sierra Nevada Mountains.

Mono County is known for its raw beauty from Mt. Patterson to White Mountain Peak and Piute Mountain. Living near Mono Lake and among the Mammoth Lakes region is heavenly.

I want to represent the 4th Senate District because the land, water and our way of life is worth protecting. State government must act as an ally to make sure local towns and county governments have the funds to maintain roads and keep our homes safe from forest fires. I believe our citizens and historic communities need a local voice in Sacramento. Someone who understands the issues and has the instincts of a brown bear to face them.

I have over 25 years experience partnering with school districts and local governments to bring common sense solutions to housing, jobs and education. I studied Animal Science at UC Davis and earned a master's degree in Public Administration from the University of San Francisco. I am a Commissioner on the Advisory Commission on Special Education for the California Department of Education. All students deserve a high quality public school education and funding must be a priority.

I believe public service is a people-centered approach to leadership. It's simple; from the people and for the people. I want our grandchildren to be able to experience the California we all know as the greatest state in the nation.

A vote for me, is a voice for the future of Mono County. Thank you.

**STATEMENT OF CANDIDATE FOR
STATE SENATOR, DISTRICT 4**

JEFF MCKAY

Occupation: Small Business Owner

Education and Qualifications: The woke liberals who run California have failed: homelessness, crime, illegal immigration, education, water, taxes, housing... We can't keep rewarding failure. I'll take the fight to them for you.

I grew up and lived my whole life here. I built several businesses and employ hundreds of people with good-paying jobs. I'm a school board member who helped turn our local schools around without raising taxes. I'm married with two daughters.

What we want is simple: fewer homeless and less crime, more good-paying jobs and fewer unfair rules that hurt small business, more water and fewer fires, lower taxes and less government waste and swampy corruption.

That shouldn't be too hard right? But the people in charge aren't doing the job. I've had enough, and I'm guessing you have too.

I'll fight the "Defund the Police" movement. No more riots. No more smash and grabs. We will make our streets safe again.

I'll demand Washington to secure our borders and stop the flow of drugs and human trafficking.

I'll protect our water, our farms, our small businesses, and bring quality jobs back.

I've signed the "No New Taxes" pledge, and will vote to stop any new taxes.

I'll demand we clean up the homeless camps, and help them into treatment for mental illness and drug addiction.

I'll stand up for American history and against Critical Race Theory.

If you care about California's future... if you want to stop the "woke" liberals from ruining our state, I'd appreciate your vote.

s/ Jeff McKay

**STATEMENT OF CANDIDATE FOR
STATE SENATOR, DISTRICT 4**

TIM ROBERTSON

AGE: 41

Occupation: Executive Director, North Valley Labor Federation

Education and Qualifications: I fight for things that matter to working people. As Executive Director of the North Valley Labor Federation, I fight for a level playing field for workers and enactment of common-sense policies to create an economy that provides opportunity for everyone.

I serve on three county-wide Workforce Development Boards, including Stanislaus County, to prepare people for jobs, help people advance in their careers and build a skilled workforce.

As a member of a Stanislaus County executive committee, I'm helping create a county-wide economic growth plan. I have in-depth knowledge of new strategies for job creation and economic development that build sustainable job growth with good wages and health care.

I'm an elected member of the Keyes Community Services District Board, where I have gained first-hand knowledge of the challenges to meeting the water needs of the Valley. I will fight in Sacramento for our fair share of funding for water storage projects and clean water programs, and oppose transferring our water to southern California.

Community service and expanding educational opportunity to build a skilled workforce are core to my values. I serve on two county-wide United Way Boards and work with local school boards to connect students to career technical education.

My priorities include funding a comprehensive plan to mitigate and suppress wildfires, improve student learning, expand broadband access, and increase affordable workforce housing.

I am supported by Congressman Josh Harder, Senator Anna Caballero, local elected officials, and community leaders.

I'd appreciate your vote. www.robertsonforsenate.com

**STATEMENT OF CANDIDATE FOR
STATE SENATOR, DISTRICT 4**

GEORGE RADANOVICH

Occupation: Small Business Owner

Education and Qualifications: This is the district where I was born, lived and farmed and where my family started a small business in 1955.

Sacramento is dominated by very liberal politicians out of touch with the concerns and needs of Mono County. I'm running for the State Senate because our district and state need a champion for our agricultural, resource and recreational-based businesses and jobs and for long-suffering taxpayers.

In 1982 I began growing grapes and in 1986 opened the first winery in the region. I was proud to be the first winemaker to serve in Congress since Thomas Jefferson and to bring knowledge of this important industry to Congress, where I was Chair of the Water Caucus and Co-Chair of the Wine Caucus as well as Chairman of the National Parks, Recreation and Public Lands Subcommittee.

I voluntarily retired from Congress in 2010 to raise my family and promote the Valley's agricultural industry, served as Chairman of the Board of our family business and became President of the California Fresh Fruit Association.

As your Senator, I will use my public service and ag experience to fight for plentiful water supplies and increased water storage, better roads and highways and policies that help our farms and businesses thrive. I will work to reduce California's sky-high taxes and end the state government spending spree that feeds inflation and will fight liberal plans to defund the police.

I would be honored to receive your vote. Please visit www.GeorgeForSenate2022.com to learn more.

**STATEMENT OF CANDIDATE FOR
MONO COUNTY SHERIFF/CORONER**

INGRID BRAUN

Education and Qualifications: Re-elect Ingrid Braun for Mono County Sheriff

I have been honored to be the Sheriff of Mono County for the past eight years. I ask for your continued support for the next four years. Your vote for me is a vote to continue the forward progress of your Sheriff's Office.

Under my leadership, the Mono County Sheriff's Office has made tremendous advances. We have a more diverse workforce, hiring more women and local residents. We built stronger relationships with our schools and communities by reinstating the School Resource Officer, supporting a new Explorer program, and establishing a Community Advisory Board. We joined unprecedented partnerships with our local and federal law enforcement agencies, with a team member on an FBI Task Force, and deputies on the regional Special Enforcement Detail.

I attained appointments to the California POST Commission and the State 9-1-1 Advisory Board to be a voice for our rural communities. Working with state legislators, we passed legislation increasing public safety by allowing Correctional Deputies. We obtained for \$25 million in state funding to construct a new jail in Bridgeport.

Thank you for supporting your Sheriff's Office and our dedicated employees.

**DECLARACIÓN DE CANDIDATA PARA
ALGUACIL DEL CONDADO DE MONO**

INGRID BRAUN

Educación y Calificaciones: Reelegir a Ingrid Braun como Sheriff del Condado de Mono

He tenido el honor de ser Sheriff del Condado de Mono durante los últimos ocho años. Les pido su apoyo continuo durante los próximos cuatro años. Su voto por mí es un voto para continuar el progreso de su Oficina del Sheriff.

Bajo mi liderazgo, la Oficina del Sheriff ha logrado avances tremendos. Tenemos una fuerza laboral más diversa, contratando más mujeres y residentes locales. Construimos relaciones más sólidas con nuestras escuelas y comunidades, mediante la reincorporación del School Resource Officer, el apoyo a un nuevo programa Explorer y el establecimiento de una Community Advisory Board. Nos unimos a asociaciones de una manera sin precedentes, con nuestras agencias de aplicación de la ley locales y federales, con un miembro del equipo en un FBI Taskforce y miembros en el Destacamento de Aplicación Especial Regional.

Obtuve nombramientos para la Comisión POST de California y la 9-1-1 Advisory Board del Estado, para ser una voz para nuestras comunidades rurales. Trabajando con los legisladores estatales, aprobamos legislación que aumenta la seguridad pública al permitir los Diputados Correccionales.

Gracias por apoyar a la Oficina del Sheriff y a nuestros dedicados empleados.

Top Two Candidates Open Primary Act and Voter-Nominated Offices

The **Top Two Candidates Open Primary Act**, which took effect January 1, 2011, requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional offices, and state constitutional offices. Only the two candidates receiving the most votes—regardless of party preference—move on to the general election regardless of vote totals.

Write-in candidates for voter-nominated offices can only run in the primary election. However, a write-in candidate can only move on to the general election if the candidate is one of the top two vote-getters in the primary election.

Additionally, there is no independent nomination process for a general election. California's new open primary system **does not apply to candidates running for U.S. President, county central committee, or local offices.**

Party-Nominated/Partisan Offices

Under the California Constitution, political parties may formally nominate candidates for party-nominated/partisan offices at the primary election. A candidate so nominated will then represent that party as its official candidate for the office in question at the ensuing general election and the ballot will reflect an official designation to that effect. The top votegetter for each party at the primary election is entitled to participate in the general election. Parties also elect officers of official party committees at a partisan primary.

No voter may vote in the primary election of any political party other than the party he or she has disclosed a preference for upon registering to vote. However, a political party may authorize a person who has declined to disclose a party preference to vote in that party's primary election.

Voter-Nominated Offices

Under the California constitution, political parties are not entitled to formally nominate candidates for voter-nominated offices at the primary election. A candidate nominated for a voter-nominated office at the primary election is the nominee of the people and not the official nominee of any party at the following general election. A candidate for nomination or election to a voter-nominated office shall have his or her party preference, or lack of party preference, reflected on the primary and general election ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not constitute or imply an endorsement of the candidate by the party designated, or affiliation between the party and candidate, and no candidate nominated by the qualified voters for any voter-nominated office shall be deemed to be the officially nominated candidate of any political party. The parties may list the candidates for voter-nominated offices who have received the official endorsement of the party in the sample ballot.

All voters may vote for any candidate for a voter-nominated office, provided they meet the other qualifications required to vote for that office. The top two votegetters at the primary election advance to the general election for the voter-nominated office, even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation participate in the general election unless such candidate is one of the two highest votegetters at the primary election.

Nonpartisan Offices

Under the California Constitution, political parties are not entitled to nominate candidates for nonpartisan offices at the primary election, and a candidate nominated for a nonpartisan office at the primary election is not the official nominee of any party for the office in question at the ensuing general election. A candidate for nomination or election to a nonpartisan office may not designate his or her party preference, or lack of party preference, on the primary and general election ballot. The top two votegetters at the primary election advance to the general election for the nonpartisan office.
