Minaret Village Mall, Mammoth Lakes.
Agenda to follow next week.

*CD Ritter,
LDTAC assistant*

ABOUT THE LAND DEVELOPMENT TECHNICAL ADVISORY COMMITTEE...

The Mono County Land Development Technical Advisory Committee consists of representatives from Public Works, Community Development and Environmental Health. The LDTAC provides technical review and recommendations on land development projects. Its purposes include facilitating coordination among county departments, promoting efficient and timely permit processing, and providing applicants an inexpensive forum to learn of county requirements early in the development review process.
