NOTES:

1. Bulky items exceeding 3’ in dimension on all sides may require to be disassembled or demolished so no single part exceeds the dumping capacity of the bulky bin.
2. Refrigerated appliances include refrigerators, freezers, and air conditioners. Non-refrigerated appliances include dishwashers, dryers, microwaves, ovens, stoves, trash compactors, washers, water heaters, etc.
3. Gate attendant shall use his/her best judgment in assessing the load delivered to the facility and determining the applicable gate fee based upon reasonable inspection and measurement. Such estimate shall be final.
4. Charges will be rounded to the nearest \$0.25 for cash customers. Charges determined on a “per cubic yard” basis may be assessed partial units in increments of ONE-HALF CUBIC YARD.
5. All customers are responsible for ensuring that the full content of their load is disposed in the proper location or storage container. Any portion of a load insufficiently disposed and requiring management by the gate attendant or other site personnel is subject to a processing fee under “Special Handling Items.”
6. Barrels, drums, tanks, or any other liquid-tight storage container must be drained of its contents. Any such item greater than 55-gal. capacity that previously stored petroleum-based products is prohibited.
7. Tree Trunks exceeding 18” in diameter are not accepted at Transfer Stations. They are accepted at Benton Crossing Landfill.
8. Household Hazardous Waste and most Universal Waste is accepted free of charge, but is limited to certain quantities. Deliveries exceeding these quantities will incur additional charges.

Additional specifications and restrictions apply. Please contact the Mono County Department of Public Works at 760.932.5440 for details, questions, to request a complete fee schedule, or to set up a charge account.
