*I am organizing these Town Hall meetings in an effort to bring your government representatives to you and give you an opportunity to discuss topics of interest. Please email any specific questions you would like answered on any of the topics listed above or others that you would like addressed in this or future Town Halls. I will provide snacks and refreshments at your Town Hall meetings. All expenses incurred in the course of advertising for and conducting these Town Halls will be paid for with my personal funds. **I look forward to seeing you soon.***
