## New Video Calling Services for the Hearing Impaired

Mono County Social Services has partnered with Sorenson to provide Video Relay Service (VRS) to hearing impaired individuals. Sorenson Relay calls are routed through an American Sign Language (ASL) video interpreting center.

Now Mono County residents who use ASL have the option to connect with hearing people over the videophone located at the Social Services office. Call us at 760-924-1770 or visit our office for more information about this new service.
